

# GRADE 5 NEWSLETTER

## Term 4

Welcome to Term 4! We hope the students had a rejuvenating holiday and are ready to dive back into our school routine.

We're thrilled to share that this term features a variety of exciting activities, including the Smoothie Bar Incursion, a camp trip to Sovereign Hill, and a thrilling end-of-year excursion to Adventure Park. These events are sure to bring adventure and learning to the upcoming term!

## Curriculum

In English and Mathematics, students will continue to engage in tasks and assessments specifically designed to meet their individual needs, ensuring steady progress.

In Numeracy, students will delve deeper into Prime Mathematics, which they have found both enjoyable and engaging this year.

In Literacy, students will concentrate on developing reading and writing strategies that they can apply independently to enhance their comprehension skills, alongside studying texts related to our Humanities theme, "Bizarre Bazaar."

In Humanities, students will explore the design and production processes involved in creating a new product through the "Bizarre Bazaar" unit, and they will participate in the "Smoothie Bar" incursion.

Additionally, your child will continue working on SMART spelling each week and will have spelling words assigned for homework. We also encourage them to regularly practice their times tables to strengthen their problem-solving skills.

## Upcoming Events

## Reminders

- Please make sure your child brings their iPads to school every day and they are fully charged. All notifications need to be switched off on their iPads during school hours.
- If your child's watch has a phone function, it must be disabled or handed to the teacher.
- Homework is to be completed each week.
- Diaries must be at school every day for communication and organisation purposes.
- Please inform the school of student absences through XUNO and submit notes/permission on time.
