

The background of the page is a light-colored wooden surface. At the top, there are several art supplies: three brushes with different bristles (one with dark brown, one with reddish-brown, and one with light tan) and a circular palette with yellow and pink sections. On the right side, there is a small, light brown, shell-like object and a jar of bright blue powder. At the bottom, there is a white palette with four colored sections (red, yellow, black, and black) and a white bottle with a grey cap.

Grade 3 Art

TERM 4

This term students explore the Art of Van Gogh. They will explore his use of colour and pattern. We will compare his style to George Seurat who we studied last term.

The students will create an art piece of work in the Van Gogh style.

They will continue with their work on Woolen Stars using an ancient style craft used in Mexico and American communities. Students will use wool and sticks to weave and create an eye-catching piece of work.

Students will continue with their exploration of clay.

They will revise the skills needed to work with clay and make a clay creation.
