

# Performing Arts at S.A.M.P.S.

## Term 3 2024

**P.A. Grades F – 5 Teacher – Emilia Rio-Scaddan**

The students are encouraged to actively participate in Music, Dance, Drama and Media Studies.

### Program Outline

#### Foundation / 1 / 2 – Musical Theatre

An introduction to Music, Dance & Drama skills for a performance.  
Introduction of class concert items linked to the theme of the show.  
Regular rehearsals will be conducted and preparations will be made leading up to the performances.

#### Grade 3

Music - An introduction to the recorder / tuned percussion instruments.  
To study music notation and play simple melodies with accompaniment.  
Students will compose their own music to share with the class.  
An introduction to music vocabulary through reading and playing music.

Drama – Students will explore drama ideas through stories / songs using different themes.  
They will use voice, body, movement and language to create drama actions for expression.  
Students will explore elements of drama – role-play, improvisation, mime etc.

#### Grade 4 –

Instrumental Work –Further development of music knowledge and skills through playing instruments, listening and responding to a variety of activities e.g. singing, movement, games and bookwork tasks.

Media - An introduction to music technology and MEDIA – Creating a radio advertisement using 'Persuasive Writing' to create a script for recording a voice over.  
Introduction to the software 'Garage Band' on i-pads. Students create music for their advertisement. They will locate different loops for different genres and make music decisions for their project.

#### Grade 5

Music notation will be read and played using recorder and other tuned instruments.  
Music theory will be further developed through games, listening activities, workbook tasks etc. Students will explore the elements of music and literature through songs.

#### Grade 6 -

Students will be working in small groups learning skills and knowledge to create a short advertisement-style video. Initially, concentrating on Olympic sports then moving on to encouraging positive behaviours at school.

**P.A. Grade 6 Teacher – Mike Harris**
